

Bollinger County Museum Ambassador Endowment Fund

We are striving to build our endowment so we may continue to bring the history of the past to future generations. By contributing to our Museum Ambassador drive you can help us meet our goal of \$1,000,000. The best way to make sure the museum makes it through the hard times as well as the good times is to build our endowment fund to one million dollars. With that amount as our backbone, we will be able to make it through the hard times and in the good times be able to expand our exhibits and programs. One million is a lot of money, but if 100 people and businesses or organizations each pledged \$10,000 over a ten year period, we would have our endowment fund in ten years.

Museum Ambassadors are individuals or businesses who complete our challenge to build our endowment fund by pledging \$10,000 or more!

What would happen if you pledged \$10,000? For those businesses and individuals that take our challenge, the promises that we will make are:

1. We will never ask you for another donation.
2. You will receive six lifetime passes to the museum for programs and events.
3. Because you are truly a museum ambassador, your name will be listed on our ambassador wall.
4. You will have secured the successful continuation of the museum for our children, grandchildren, and generations to come.

If you have any questions, do not hesitate to call 573-238-2713 or talk to any museum board members. Consider becoming a Museum Ambassador and helping us to preserve the past for our future generations!

Sincerely,
Eva M. Dunn
Museum President
