ABOUT OUR MUSEUM

Located in the town of Marble Hill Missouri, our growing museum houses a stunning collection of natural history specimens and artifacts from Missouri and the world.

When touring the museum, you will discover a wide range of exhibits designed to stimulate and challenge the mind.

In addition to the Discovery of the Missouri Dinosaur exhibit, we showcase natural history marvels from our region and shine a light on historical treasures including Native artifacts, Civil War and Trail of Tears reminders.

Family friendly exhibits and lots of “touch me” items make your visit a treat for all ages.

PURPOSE OF THE FRIENDS OF THE MUSEUM

The Friends is a group that supports the museum’s activities. Funds are generated through memberships and fundraising activities.

To become a member of the Friends of the Bollinger County Museum of Natural History, submit the attached enrollment form and fee in your name or that of a family member or friend, in one of the amounts shown. Your membership is essential to assisting the Museum in its job of helping us know the past, the present and each other.
